CITY ELECTION. We supprise no one is disappointed at the result of the election here yesterday. There was no effort made to elect the anti-know-nothing ticket, further than to announce their names in this paper, for her than to announce their names in this paper, and we are told that in some of the wards there were no takets. The anti-know-nothings elect the same number of the board so last year, viz: one—

Speaking what they Know .- These gentleman take pleasure in testifying in regard to B. A. Fahnestock's Vermifuge, because two of the firm have used it in their private practice as physicians for a number of years, and

they have known it, by observation, to be good: New Albany, Ind , July 4th, 1855. Mesors, B. A. Fuhnestock & Co. Gentlemen: - Having sold your valuable Vermifuge for some time, and having seen it used for many years, we would recommend it to all as a safe and efficient remedy for all cases of worms. In no instance have we over seen any evil results following its administration, but always has it answered the purposes for which it was intended, and been entirely satisfactory.

Believing that everything that has been set forth in regard to its viriues is strictly in accordance with our observation not enly as practitioners, but as non of business, we would unhesitatingly say to all who read this, that it is the best Vermifuge now in use, and that its virtues are bes
